

Food Pantry

Opens at 10 am on the 3rd Tuesday of every
month

The Food Pantry at Handsboro Baptist Church is a vital ministry dedicated to serving those in need within our Gulfport community. Open to individuals and families facing food insecurity, our pantry provides essential groceries and a helping hand during difficult times.

Supported by church members and community donations, the Food Pantry is an expression of our commitment to sharing God's love through service. We strive to offer not just food, but also hope, encouragement, and compassion to everyone who comes through our doors. If you or someone you know needs assistance, we are here to help.
